(415) 261-4213
April 14th, 1988
Sausalito, CA.

I'm a responsive front-end web developer, love making cool stuff, I'm curious, and I enjoy work that challenges me to learn something new and stretch in a different direction. I do my best to stay on top of changes in the state of the art so that I can meet challenges with tools well suited to the job at hand.

Cairo, Egypt

Work Experience:

Freelance Web Developer: *APR. 2016 – Currently*
- **Currently working on 2 projects**
   A) CIBO Café Sausalito, CA.   (415) 331-2426
   B) Nare Wedding Photography LA, CA. (954) 614-3334

Freelance Photographer: *JAN. 2013 – DEC. 2016*
- **Worked in Many fields, mainly
  Product photography, Real-estate and Portrait**

Food and Beverages Industry: *JUL. 2007 – DEC. 2015*
Company's I've worked for:
- Segafredo Zanetti (Over 600 branches in 106 countries)
- Armenian Barista's Association & Coffee Academy
- Movenpick Swiss Hotels & Resorts

Occupations I've worked at:
1. Member of the international opening and training team for Segafredo Zanetti.
2. Regional Bars Manager
3. Sales Analyzer, and General business consultant.
4. Director of the examination.
5. A mentor.
6. Founding consultant.

Accomplishments:
- Invented a program to strict the requisition system, which saved the company over 30% of its monthly purchase focusing on transfers instead.
- Invented the curriculum teaching materials for the "barista" course.
- Trained around 100 baristas and bartender.

Responsibilities:
- led the bar team (scheduling, positioning, hiring, planning & assisting)
- Supervised the opening process of over 15 Cafes & Restaurants, between Egypt and Armenia.
